in assisting us in making this day a celebration of a life well-spent  
and a time of worship to our Great God.

Ben was born at home in a small farm house near Lockwood, SK, the youngest of 16 children. His family later moved to Jansen, SK, where Ben began school and later transferred to Illinois Country School in the RM of Leroy, SK.

At age 10, Ben became a follower of Jesus Christ, a decision that would be an integral part of the rest of his life.

On June 12, 1957, he married Evelyn Elsie Seifert. God blessed their marriage with three children, David, Barry and Sharon.

Ben began farming and doing construction on the side. Later, he quit farming and began his own contracting company in LeRoy.

Though always actively involved in his local church and Gideon's International, later on in his life, Ben felt called into pastoral ministry and served several churches while continuing to work in construction.

Two years ago, Ben and Evelyn moved to Prince Albert to be closer to part of their family. They also found new friends in their condo complex, and church families.

Ben will be lovingly remembered and sadly missed by his wife of 57 years, Evelyn (nee Seifert) Bonney; their three children: David (Dawn), Barry (LaWanda), and Sharon; his two sisters: Helen Kupp and Alice McLellan; and 11 grandchildren and six great-grandchildren.

When all my labors and trials are o'er,  
and I am safe on that beautiful shore,  
Just to be near the dear Lord I adore,  
Will through the ages be glory for me.

**Refrain:**

O that will be glory for me,  
Glory for me, glory for me,  
When by His grace I shall look on His face,  
That will be glory, be glory for me.

When, by the gift of His infinite grace,  
I am accorded in Heaven a place,  
Just to be there and to look on His face,  
Will through the ages be glory for me.

**Refrain**

Friends will be there I have loved long ago;  
Joy like a river around me will flow;  
Yet just a smile from my Savior, I know,  
Will through the ages be glory for me.

**Refrain**

(Charles H. Gabriel)
