I'm Free

*Don't grieve for me, from pain I'm free,
I'm following the path God has laid, you see.
I took his hand when I heard his call,
I turned around and left it all.
I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found the peace on a sunny day.
If my parting has left a void,
Then fill it with remembered joys.
A family shared, a laugh, a kiss,
Oh yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I've savoured much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts, and peace to thee,
God wanted me now, from pain I'm free.*
