Darcy was born on April 15, 1979, to Gerald "Bud" and Traci (nee Weber) Fisher at Humboldt Hospital, and raised on the family farm in the Bruno district. He attained his Grade 9 education at Bruno School, then attended St. Peter's College in Muenster, SK. And after graduating from Grade 12, he enrolled in the welding course at Carlton Trail Regional College and received his Journeyman Welder Certificate, becoming a welder by trade. Darcy's hobbies and interests included welding, collecting old tractors, attending auction sales, having coffee with family and friends, taking road trips to Alberta, fabricating and designing a variety of items and his love of mechanics. He was a devoted "Dodge man", and loved his truck "Pinky". Everything was supped up and high speed. Darcy lived life to the fullest. On October 16, 2013, his life was changed after a serious accident in Alberta, but he still maintained his zest for life and was determined that change wouldn't hold him back.

Darcy is survived by his mother, Traci Fisher; three brothers, one sister, and their families: Bryce (Raquel) Fisher, son Tylor and granddaughter Hayden; David Fisher and children Dalas (Aaron) Cone, and Janae; Corey (Crystal) Fisher and children Tyler, Deanna and Norman; and Debbie (Adam) Lissel and children Samantha and Kyra; paternal grandmother, Clara Fisher; maternal grandmother, Verna Weber; a very special aunt, uncle, and cousin, Lianne and Darren Poppel and Scott Poppel; and by other aunts, uncles, cousins, and a host of friends. He was predeceased by his father, Gerald "Bud" Fisher (March 21, 2015); paternal grandfather, Leo Fisher; and by his maternal grandfather, Victor Weber.

I have slipped away into the next room.

I am I, and you are you,

Whatever we were to each other

That we still are.

Call me by my own familiar name.

Speak of me in the easy way we always used.

Put no difference in your tone;

Wear no forced air of solemnity or sorrow.

Laugh as we always laughed

At the little jokes we enjoyed together.

Pray, smile, think of me, pray for me.

Let my name be the household word it always was.

Let it be spoken without effort,

Without a ghost of a shadow in it.

Life means all that it has ever meant.

It is the same as it ever was.

There is absolutely unbroken continuity.

Why should I be out of your mind

Because I am out of your sight?

I am but waiting for you, for an interval

Somewhere very near, just around the corner.

All is well, nothing is past, nothing is lost.

One brief moment and all will be as it was before.
