Eileen was born on August 4, 1945 to Joe and Ann (nee Grieman) Lachmuth at Humboldt, SK. She grew up and attended school in Annaheim, SK. Following school, she worked at the store in Annaheim. In 1962, she began dating Art Koenders which lead to their marriage on July 4, 1966 at St Anne's Church in Annaheim. They had one daughter, Charlene, who was born in June of 1967. In 1984, Art and Eileen bought the Annaheim store and operated that until 2004 when they both retired. Eileen enjoyed cooking, baking, and feeding family and friends. When she was not cooking and baking, she enjoyed her hobbies: quilting and sewing that occupied many hours.
