MARIANNE leaves to mourn her passing her loving husband **ZYGMONT** Kondziewlewski of Humboldt: five children and their families: **Martin** and Marie Kondziewlewski [Cassandra, Christopher, Peter] and **Mary** Kondziewlewski, all of Regina; **Sarah** and Tohid Ghorbanpour [Suzanne and Alex] of Calgary], AB: **Thomas** Kondziewlewski of Orillia, ON; and **Lydia** and Bob Van Thiel [Ben and Simon] of Fort McMurray, AB. She is also survived by two sisters; **Angela** and George Terpening of California and **Kathy** Jackman of South Dakota. She was predeceased by her parents *John* and *Lydia* [Karlenzig] Mildenerger: by three brothers; *John*, *Tom* and *Donald* Mildenerger.

True to her German heritage Marianne valued order, self-control and music. She became a very capable seamstress and sewed many items, including wedding dresses, German dirndls, suit jackets, winter parkas and pants that fit. She organized and supervised her children's musical education as they were growing up--each child learned to play piano plus a second instrument of their choice. Dogs and cats loved her on sight. She was a role model for integrity, common sense, love and independence: a good mother, grandmother and life companion.

She was the sanest person we had the good fortune to know. It is truly ironic and unexpected that she would develop dementia [Alzheimer's] in what quickly turned her into "old age".

Care at the Humboldt Health Facility was professional, competent, prompt and cheerful. Staff at Bethany Pioneer Village in Middle Lake showed exemplary compassionate personalized end-of-life care. Workers who can identify the classy lady hiding in the ravaged body of a demented old woman are to be cherished.

Were she here she would surely say "Do not cry over me, but live and laugh and love as I did". This is the woman whose life we celebrate today.
