Agnes was born on September 28, 1935, to Henry and Maria (nee Niekamp) Nienaber in Humboldt. The second of 12 children, she was raised on the family farm halfway between Annaheim and St. Gregor, SK. After attending Harvest School, Agnes worked for various families in the area. Later, she lived in Macklin where she studied and worked at the hospital under the direction of the Franciscan Sisters of St. Elizabeth. In 1957, Agnes returned to St. Gregor and on October 9th that year she married Richard Muyres, which was the beginning of a 57 year union. Together, they raised four children, Gerard, Eugene, Valerie and Brenda. In 1972, Agnes went to work at St. Mary's Villa, where she was employed until 1975. From there, she went on to further her education in the field of remedial massage, first starting her practice casually at home. As demand increased she moved her business into St. Gregor, where she practiced until 1987 when, due to health reasons, she was forced to retire. Over the years, Agnes helped many people with her treatments and, even today, many people remember her for the pain relief she provided. Agnes was an active member of the community. She was involved in catering groups, the St. Gregor Community Club, and the CWL, both in St. Gregor and Humboldt. In 1988, Agnes and Richard moved to Humboldt. Agnes joined a German singing group and the German Heritage Society. Agnes and Richard loved to travel and visited many places in Canada, the United States, and overseas. Agnes was also talented at sewing, knitting, and crocheting, making many afghans, mittens, slippers, and sweaters for her children and grandchildren. In 2010, Agnes and Richard moved to Caleb Village in Humboldt, a place Agnes really enjoyed. Due to failing health, Agnes soon moved to Bethany Pioneer Village in Middle Lake, where she resided until her passing. It was her family who were closest to her heart. Agnes enjoyed visiting with her brothers and sisters and speaking low German, but her real enjoyment was seeing her grandchildren and great-grandchildren. She attended many baptisms, first communions, ball games, dance recitals, graduations, and weddings.

Agnes is survived by her children, **GERARD** (Yvonne) Muyres of Saskatoon, SK, and family **Tracy** (Angelo) Ginakos and daughter **Zoe** of Calgary, AB, and **Ryan** (Dani) Muyres and children **Holden**, **Harper** and **Emmett** of Meota, SK; **EUGENE** (Colleen) Muyres of St. Gregor, SK, and family **Amanda** (John) Enns of Watson, SK, **Sarah** Muyres of Lethbridge, AB; **VALERIE** (Allan) Fair of Saskatoon, SK, and family **Jena** (Kris) Kurtenbach and children **Cadence** and **Madison** of Calgary, AB, and **Marla** (Stephen) Masters and their children **Jaxon** and **Jase** of Red Deer, AB; **BRENDA** (Kim) Duerr of Humboldt, SK, and family **Derek** Duerr of Humboldt, SK, **Jessica** Duerr (Corey) of Regina, SK, and **Chelsea** (Richard) Perillat of Humboldt, SK. She was predeceased by her husband, Richard Muyres (July 15, 2015).

Footprints in the Sand

One night I dreamed a dream.

As I was walking along the beach with my Lord.

Across the dark sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand,

One belonging to me and one to my Lord.

After the last scene of my life flashed before me,

I looked back at the footprints in the sand.

I noticed that at many times along the path of my life,

especially at the very lowest and saddest times,

there was only one set of footprints.

This really troubled me, so I asked the Lord about it.

"Lord, you said once I decided to follow you,

You'd walk with me all the way.

But I noticed that during the saddest and most troublesome times of my life,

there was only one set of footprints.

I don't understand why, when I needed You the most, You would leave me."

He whispered, "My precious child, I love you and will never leave you

Never, ever, during your trials and testings.

When you saw only one set of footprints,

It was then that I carried you.
