Joe was born on November 11, 1942, to Joseph and Anna (nee Aschenbrenner) Schreiner at Cudworth. From childhood on, Joe was a very hard-working, ambitious person who not only set goals but strived and succeeded to accomplish them. In 1963, he bought his first backhoe and began J. Schreiner Excavation, a business he operated until 2000. Joe attained his Mechanics Certificate in March 1967. In 1970, he diversified his career and started hauling trucks piggyback from Toronto in the winter months. Another passion of Joe's was flying; in 1972, he got his Private Pilot's Licence and bought a Piper J-3 Cub and eight years later received his night rating. Joe was a member of the Cudworth Flying

Club and was also chief tow pilot for the Saskatoon Soaring Club for 15 years. In addition, he was a member of the Volunteer Fire Department, an attendant with the Cudworth Ambulance from 1980 to 1992, a member of the Knights of Columbus, sat on the board for Columbian Industries for four years, and belonged to the Wildlife Federation.

Joe will be lovingly remembered and forever missed by his wife of 48 years, **Bernice** (nee Wollmann) Schreiner of Cudworth; their four children and 13 grandchildren: **Lyle** Schreiner of Prud'homme, SK, and family, **Sheldon** Schreiner of Wakaw, and **Courtney** Schreiner of Prud'homme; **Cheryl** (Dion) Niebrugge and family, **Billy** Charlton, **Robyn** Niebrugge, **Shelby** Charlton and **Shane** Niebrugge, all of Bruno; **Warren** (Sheila) Schreiner and family, **Cody** Schreiner, **Brandon** Schreiner and **Samantha** Schreiner, all of Middle Lake; and **Nadine** (Andy) Burgess of Humboldt and family, **Lyndon** Reiter, **SaVanna** Reiter, **Destyne** Reiter and **Jax** Reiter, all of Middle Lake; three brothers: John (Elenor) Schreiner of Saskatoon; Raymond (Donna) Schreiner of Cudworth; and George (Doreen) Schreiner of Medicine Hat, AB; sisters-in-law: Velma Schreiner and Eleanor Schreiner, both of Cudworth; and by numerous nieces and nephews. He was predeceased by his parents, Joseph and Anna (nee Aschenbrenner) Schreiner; and by two brothers: Carl Schreiner and Edward Schreiner.

Impressions of a Pilot

Flight is freedom in its purest form,
To dance with the clouds which follow at storm;
To roll and glide, to wheel and spin,
To feel the joy that swells within;
To leave the earth with its troubles and fly,
And know the warmth of a clean spring sky;
Then back to earth at the end of a day,
Released from the tensions which melted away.
Should my end come while I am in flight,
Whether brightest day or darkest night;
Spare me your pity and shrug off the pain,
Secure in the knowledge that I'd do it again;
For each of us is created to die
And within me I know, I was born to fly.
