Don was born on Wednesday, July 10, 1940 in Humboldt SK, to Henry and Maria (nee Rolfes) Crone. He grew up near Annaheim and attended school there. Don moved to Moose Jaw for a short period and then returned to the family farm in the fall to take the crop off and continued to farm until the present. He married the love of his life, Rita Wuchner on June 29, 1963. Don and Rita were blessed with three children, a daughter Gladys, who died in infancy, and two sons, Randy and Wes. Don

enjoyed farming with his two sons and they all worked together tirelessly side-by-side. Farming was his true passion. He always took time for family, friends, and fun. Don enjoyed snowmobiling, curling, fishing, and gambling bus trips to the United States. As well Don and Rita also enjoyed trips to Europe, Florida, and British Columbia to visit family, and spent as much time as possible at their cabin at Barrier Lake. Don loved spending time with his grandchildren; tubing at the lake, playing board-games, fixing machinery, and most of all watching them grow into the young adults they are today.

Don will be lovingly remembered and sadly missed by his wife of almost 53 years, **Rita** (nee Wuchner) Crone; two sons and their families,

Footprints

One night I dreamed I was walking
along the beach with the Lord,
Many scenes from my life flashed across the sky,
In each scene I noticed footprints in the sand.
Sometimes there were two sets of footprints.

This bothered me because I noticed
that during the low periods of my life,
when I was suffering from anguish, sorrow or
defeat, I could see only one set of footprints.

So I said to the Lord, "You promised me, Lord, that
if I followed you, you would walk with me always,
But I have noticed that during the most trying
periods of my life there have only been one set of
footprints in the sand.

Why, when I needed you most,
have you not been there for me?"

The Lord replied, "The times when you have seen
only one set of footprints, is when I carried you."
