Gladys was born on Monday, April 8, 1918, to Walter and Florence (nee Thomas) Newton in Bruno, SK. Gladys attended school in Humboldt, and loved playing baseball, curling and playing piano. She also loved to dance as she enjoyed music very much. On October 26, 1936, Gladys married Lawrence Gaetz in St. Brieux, SK, where they lived for a few years. Two daughters, Ramona and Sharon, were born to them. Their life took them to many towns throughout Western Canada. In the early 1960s, they returned to Saskatchewan where they made a permanent home at Marean Lake. In 1995, Gladys and Larry retired to Humboldt. Larry became a resident of St. Mary's Villa in January 2001, and passed away on April 2, 2002. Gladys continued to live in their home until the present.

In Loving Memory Of

Afterglow

I'd like the memory of me

To be a happy one.

I'd like to leave an afterglow

Of smiles when life is done.

I'd like to leave an echo

Whispering softly down the ways,

Of happy times and laughing times

And bright and sunny days.

I'd like the tears of those who grieve

To dry before the sun

Of happy memories that I leave

When life is done.
