

Romans 12:2

*Do not conform to the pattern of this world,
but be transformed by the renewing of your mind.
Then you will be able to test and approve what
God's will is - his good, pleasing and perfect will.*

Our Dad, Hugh Jenkins was born in Wadena, Sask on July 25, 1948 to Jack and Eileen Jenkins of Quill Lake. Dad grew up on the family farm where he spent many hours on the tractor, perfect practice for driving the big gravel trucks with his brother Richard later on in life. As kids, Dad and his sister Mary loved singing together, harmonizing to The Everly Brothers and sparking a love for music. Dad attended Wooler Elementary, a one-room country school, until seventh grade and graduated from Quill Lake High in 1966. After graduating, Dad took accounting classes, eventually becoming the Manager of Taxation and License at the City of Regina for 17 years. Working for the city was more than a great job; that's where he met the love of his life, our Mom Carol, at the office cafeteria - if it wasn't Mom bringing him back every day, it was the liver and onions. Soon after getting married in 1981, Mom and Dad started a family when their first son, Evan Hugh, was born in 1982. Becoming parents led them on a journey to faith in Jesus Christ, which had a huge and lasting impact on the rest of their life and the lives of their children and grandchildren. Timothy John was born in 1984, bringing newfound fun and intense curiosity into the home, and the family was completed with the birth of Nathan Thomas in 1988, bringing music back into Dad's life. In 1994, the family moved to Humboldt where Mom's culinary and Dad's business expertise were put to work opening an A&W. In Humboldt, Dad was actively involved in the community, and was especially passionate about serving the Humboldt Bible Church, making many lasting friendships. Dad's passion for motorcycles was rekindled in 1997 when Mom bought Dad a Yamaha Virago for Father's Day; this eventually led to Dad upgrading his bike to a Harley Ultraclassic, taking Mom on many cherished cross-country trips. Even after he stopped biking, Dad was often seen sporting one of his many Harley T-Shirts he had collected from around the world. In 2007, Mom and Dad retired together and enjoyed almost 10 years of travelling, camping, and most importantly, time spent with their boys and five precious grandchildren. Nothing lit up Dad's eyes like the sound of his five grand-kids coming through the door as well as snuggling with them first thing in the morning.

Dad is survived by his wife **Carol**, and by his sons **Evan** (Shelby) and children Brianna, Bronwyn, and Jack; **Tim** (Shauna) and children Emilia and Olivia; and **Nathan**. As well he is survived by his sister **Mary** (Gordon) Widger; and brother **Richard** (Natalie) Jenkins; as well as six nieces and nephews.
