Leonard, the first child in a family of 14, was born to Roy and Hilda (nee Rucks) Krieger on Tuesday, July 19, 1927, at home on the family farm near Esk. He grew up there and attended Bieberdorf School, three miles from the Krieger farm. In his youth, Leonard worked for farmers in three prairie provinces, on the extra gang for the Canadian Pacific Railroad, and for two years for John Kleckner, a building mover at Esk. In 1952, he married Alma Findling. Their marriage was blessed with three children, one daughter and two sons. Leonard and Alma farmed in the Lampard area until they semi-retired and moved into LeRoy. Leonard enjoyed travelling. He was a true "people person" and touched the hearts of everyone he met. Leonard will be lovingly remembered and sadly missed by his wife, **ALMA** (nee Findling) Krieger of Quill Plains Centennial Lodge, Watson, SK; one son, **Ron** (Janice) Krieger of LeRoy, SK, and family, **Jeremy** (Tracy) Krieger and their daughters **Madison** and **Casadi** of Lanigan, SK, **Derra** (Eric) Froess and their children **Kelsie** and **Dylan** of LeRoy, SK, **Kaylie** (Mike) Nemeth and their daughter **Blair** of Martensville, SK, and **Erin** (Brant) Paton and their son **Lincoln** of LeRoy, SK; son-in-law, **Jim** Hantelman and his daughter **Peggy** Hantelman of Lone Rock, IA; five brothers and three sisters: Virden (Evelyn) Krieger, Margaret Meeley, Edward (Lois) Krieger, Anne Bendig, Erwin Krieger, Arnold (Donna) Krieger, Mildred Gibb, Ernest Krieger (Linda Medernach), and Wilburn (Doreen) Krieger; sister-in-law, Gail Krieger; special niece and nephew, Brenda (Mike) Pangman; and numerous other nieces, nephews, and their families. He was predeceased by two children: Ken Krieger and Carol Hantelman; his parents, Roy and Hilda (nee Rucks) Krieger; two sisters and two brothers: Rose Ellis, Lorne Krieger, and twins Phyllis Funk and Nielford Krieger; brothers-in-law: Stan Ellis, Wilfred Meeley, Clarence Bendig, and Gary Gibb; and by sister-in-law, Isabel Krieger.

THE FARMER

A varied and busy man is he,
Like a searching, working honey bee.
He lends a touch of the Master's hand,
As he plans and labors on his land.
Many changes has he seen in his farming days,
From ancient to modern, to sophisticated ways,
The climate in Canada is right he knows,
Thus the world's best grain and beef he grows.
The farmer becomes the main supplier indeed,
For the world's hungry as he fills their need.
He continues the creative work of God!
Every time he plants a seed or turns the sod.
He believes it his heritage to work the land,
To produce all he can from the willing sand.
When the farmer has money he spends it well,
For as long as his produce is there to sell.
If the crops are poor or the prices too low,
For the country it means a reduced cash flow.
It does the farmer's pride no harm,
When a son or daughter continues to farm.
The most creative artist of the universe is he,
Whether he plants a seed or a roadside tree.
As permanent as the earth this farmer is,
Life's values and freedoms are truly his.
Though some days are uncertain and full of strife,
For the farm family it is a way of life.
