Ken was born to Judith Lockinger at Wadena, Saskatchewan on June 30, 1962. He grew up in Humboldt, and attended the Humboldt Collegiate. Following his school years, Ken married Arlene Stolz in 1981 and they were blessed with a son, Curtis. For over 20 years they enjoyed watching Curtis grow up. Ken enjoyed coaching

Curtis in his sports activities such as hockey and baseball through the years. Ken did mechanical work for 10 years and then worked with various companies as a Sanitation Engineer for 30 years. He was recently promoted to Operations Manager with REACT Waste Management. After surviving cancer in his early 20's Ken maintained an active lifestyle of participating in hockey, baseball and golf. He was active in the community as an announcer for the Broncos, a bingo caller for the Broncos and he sat on various hockey and golf committees. Ken was very well known in the Hockey Community after volunteering as a coach for 24 years. Some of his major achievements were provincial wide coaching with Sask First, and watching many players he coached make it to different stages, including the NHL. Ken enjoyed his many toys including his motorbike, golf cart, trailer and most recently, his boat. Ken met Marilyn Hay in 2005 and together they forged an unbreakable love and friendship. They enjoyed golfing, hockey, and even a few trips driving to Las Vegas. Ken was well known for his witty sense of humour and always having a trick up his sleeve. Throughout all of his time, Ken seemed the happiest when he got the call that he was going to be a grandpa. Prior to his passing, Ken was able to spend time with his granddaughter Paice, and loved to show off

pictures and talk about her to anyone who would listen. In Ken's words, **"I've been called a lot of names in my life but Grandpa is my favorite."**

Ken will be lovingly remembered by his mother, Judith Lockinger of Humboldt, SK; his son Curtis (Jane) Lockinger and their daughter Paice of Whitecourt, AB; and his special friend Marilyn Hay of Humboldt, SK. Ken was predeceased by his maternal grandmother, Barbara Lockinger; and his uncle Ronald Lockinger.

*As I sit in heaven  
And watch you everyday  
I try to let you know  
with signs*

*I never went away  
I hear you when you're laughing  
And watch you as you sleep  
I even place my arms around you  
To calm you as you weep  
I see you wish the days away  
Begging to have me home  
So I try to send you signs  
So you know you are not alone  
Don't feel guilty that you have  
Life that was denied to me  
Heaven is truly beautiful*

*Just you wait and see  
So live your life,  
laugh again  
Enjoy yourself, be free  
Then I know with every  
breath you take  
You'll be taking  
one for me.....*
