

Roland was born on Wednesday, December 6, 1916, in Sandwith, SK. He took grades one to eight at a one-room elementary school and attained his grade nine education by correspondence. Roland loved to farm and helped his dad when his brothers Clifford and Jim went to join the Services in World War II. Later when the boys came home, he moved to North Battleford where he had a store, selling feed to the local farmers. Roland was always a gentleman, and enjoyed visiting with people. His mild manner and quiet ways endeared him to many people and he was liked by all. In 1982, Roland met and married Arloa Thompson of North Battleford and they began to travel, going south for many winters. In 1983, he won a trip to Japan for two. That was the highlight of his life; actually it was like a second honeymoon! It was also his first introduction to Disneyland which opened that same year and it was all in Japanese. In later years, Disneyland was a must for all of Roland and Arloa's visitors. Roland was an honorary member of the Royal Canadian Legion acting as a flag bearer for Branch #143 in Lanigan. He had an honorary membership in the Merry Mixers of Lanigan where he was also very active for many years. He enjoyed the skits they did and he usually stole the show. Another milestone for Roland was when he walked from Plunkett to Lanigan as part of a fundraiser when he was 80 years old. He was a quiet, gentle man and will be dearly missed.

**BORN:**

Wednesday, December 6, 1916  
Sandwith, Saskatchewan

**DIED:**

Friday, May 27, 2016  
Lanigan, Saskatchewan

**AGE:**

99 Years

Remember him with a smile today  
He was not one for tears  
Reflect instead on memories  
of all the happy years  
Recall to mind the way he spoke  
And all the things he said  
His strength, his stance, the way he walked  
Remember these instead  
The good advice he'd give us  
His eyes that shone with laughter  
So much of him that never dies  
But lives on ever after  
He was a man of honesty, integrity, and pride  
Important this, the way he lived,  
not the way he died.  
If a tear should fall today,  
Perhaps it shall be shed  
For the many years without him here  
That still lie far ahead.
