### FOOTPRINTS IN THE SAND

One night I dreamed a dream,

As I was walking along the beach with my Lord.

Across the dark sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand,

One belonging to me and one to my Lord.

After the last scene of my life flashed before me,

I looked back at the footprints in the sand.

I noticed that at many times along the path of life,

especially at the very lowest and saddest times,

there was only one set of footprints.

This really troubled me, so I asked the Lord about it.

"Lord, you said once I decided to follow you,

You'd walk with me all the way.

But I noticed that during the saddest and most troublesome

times of my life, there was only one set of footprints.

I don't understand why, when I needed You the most,

You would leave me."

He whispered: "My precious child,

I love you and will never leave you

Never, ever, during your trials and testings.

When you saw only one set of footprints,

It was then that I carried you.
