Elmer was born on Friday, March 9, 1934, to Carl and Anna (née Rode) Uhrich at home on the farm in the R.M. of LeRoy near Jansen Lake. That same year, the family moved to the Wolverine municipality. The nearest town was Burr, where they received the mail and did their grocery shopping. Elmer attended Attica School which was about two miles from home. Elmer and his two older sisters, Audrey and Christina, would save time by cutting across the fields when conditions permitted. As a young man, Elmer farmed with his father and then continued on his own when Carl retired in 1960. He enjoyed farming and animals, especially horses. He also worked with the CPR from 1952-1963. Elmer moved into Humboldt in 1975, where he enjoyed bowling, Bronco games, dancing, playing cards and visiting with friends and family. Two generations of nieces and nephews have fond memories of many Kaiser games trying to beat Uncle Elmer. An avid gardener, Elmer took great joy in watching things grow. And, as he always grew more than he needed, friends and family appreciated his gift. Elmer was a supporter of numerous charities. A hard worker, he was always ready to lend a hand wherever needed. He will be greatly missed by all who knew him. Elmer is survived by his sister, Audrey Crowter of Humboldt; nephews: Bill (Darlene) Crowter of Saskatoon, and Ken (Val) Crowter of LeRoy; nieces: Denise (Dan) Murray-Berg of Hagen, Joan (Jim) Murray of Bonnyville, AB, Colleen (Keith) Wickenhauser of Saskatoon, and Karen Crowter of Humboldt; and by many great-nieces-and-nephews. He was predeceased by his parents, Carl and Anna (née Rode) Uhrich; sister, Christina Murray; and by brothers-in-law: Reg Murray, Archie Crowter, and Gus Johnson.

*I've planted many a kernel of wheat,
Welcomed many a morning sun,
The beauty of a sunset, the rapture of wide open spaces,
The exhilarating sight of your land greening each spring,
And all your crops ripening in the fall.
I've eaten the dust and tasted the wind,
And I've gotten many a good job done.
I've climbed off the tractor with dirt on my face,
And pain in my weary bones.
But somehow, I always can master a grin
When I see the lights of home.
As I trudge once more through the field of my years,
And separate chaff from the grain,
I thank the good Lord, I can say in my heart,
That I'd do it all over again.*
