

*In Loving Memory Of
Celestine Anne Kunz*

Back Again

*Time has taken me from you,
Although not very far.
I'll be watching through the sunshine
And through the brightest star.
I'll be watching all of you,
From the heavens up above.
So take good care of each other
And carry all my love.*

*If you're wondering if I'm there,
Here is where you start,
Take a look inside yourself,
And deep within your heart.
I'll always be your mother,
Your grandmother, great-grandmother, and best friend,
So anytime you need me,
Close your eyes, I'm back again.*

Celestine (Sal) Kunz was born November 10, 1927 to Alois and Theresa (nee Ebert) Ehalt. She grew up along with her 6 siblings on the family farm near Annaheim SK, and attended Annaheim School. Growing up in the 30's, she helped on the farm, milking cows, tending to the farm animals and the large garden. Upon completing school she continued to help on the farm as well as assist her older siblings with their young families. She enjoyed curling and playing ball in her youth. In fact, it was at one of her ball games where a young man named Norbert Kunz, who attended nearby Bunker Hill school, took time off from digging a grave to watch the game. Not long after, they started dating. Norbert would pick Sal up in his Model A car and they'd go to local dances and parties. They got married on September 20, 1948 and built their first house in Annaheim and

started a family of their own in 1949. Sal was a busy homemaker, raising 5 children, tending a large garden as well as assisting Norbert as he expanded his farm (in addition to his full time job as school district construction foreman). Sal was also an active community member in the church, recreational facilities and the CWL. Sal and Norb enjoyed getting together with friends and family for a good card game as often as they could, and as years passed, took great pride in watching their children start their own families. Shortly after Norb's passing in 2000, she moved to Humboldt. She lived in Caleb Village until 2016, when she moved to St Mary's Villa. She participated in the social activities at the Villa, and also kept very busy knitting. The day before she passed away, she made sure each of her children and grandchildren received a knitted gift for Christmas. Sal continued to impress family and friends with her incredible memory, right up until her passing. If there was a forgotten name or detail from the past that needed clarification, Sal was the go-to person to get the facts straight. Sal always enjoyed socializing and a good party, and happily celebrated her 90th birthday in November with many of her friends and family present. Christmas was always an important time of the year for Sal, and her family always got together to celebrate every year. The family is certain she planned her departure from this life at Christmastime so all of her children and grandchildren could gather and be present one last time to wish her a happy farewell. Sal will be lovingly remembered and sadly missed by her daughter-in-law
