

*Footprints*

*One night I had a dream.*

*I was walking along the beach with the Lord,  
and across the sky flashed scenes from my life.*

*In each scene I noticed two sets of footprints in the sand.*

*One was mine, and one was the Lord's.*

*When the last scene of my life appeared before me,  
I looked back at the footprints in the sand and, to my surprise,  
I noticed that many times along the path of my life  
there was only one set of footprints.*

*And I noticed that it was at the lowest and saddest times in my life.*

*I asked the Lord about it:*

*"Lord, you said that once I decided to follow you,  
you would walk with me all the way.*

*But I notice that during the most troublesome times in my life,  
there is only one set of footprints.*

*I don't understand why you left my side when I needed you most."*

*The Lord said: "My precious child;*

*I never left you during your time of trial.*

*Where you see only one set of footprints,  
it was then that I was carrying you."*
