

### **They Say There Is A Reason**

*They say there is a reason, they say that time will heal,*

*But neither time nor reason, will change the way I feel.*

*For no one knows the heartache, that lies behind our smiles.*

*No one knows how many times, we have broken down and cried.*

*We want to tell you something, so there won't be any doubt*

*You're so wonderful to think of, but so hard to be without.*

Paul was born to Jean and Brenda (nee Boak) Tremel on July 13th, 1988, in Saskatoon, SK. He was raised on a farm near Peterson with his sister Michelle and brother Marcel, and grew up helping on the family farm. Paul attended Bruno School, and upon graduation, attended SIAST where he completed the Heavy Equipment - Truck & Transportation Technician program. In 2012, Paul completed his Journeyman as a Truck and Transport

Mechanic. He loved the challenge of fixing anything and was

a very talented mechanic. Paul was an avid sportsman, especially broomball, and enjoyed being part of

a team. As well, he loved being outdoors, and spent many enjoyable hours snowmobiling, skiing, quading, hunting, camping, and fishing.

However, his real passion in life was farming and family. From a young age, Paul was fascinat-

ed with all aspects of the family farm and took great pride in the farm that he and his dad had together. Any-

one who knew Paul admired his excellent work ethic, fun-loving nature, and the immense love he had for his two sons, Tucker and Ryder.

Paul will be lovingly remembered and sadly missed by his sons, Tucker and Ryder Tremel; the mother of his children, Kelsey (nee Grey) Tremel; his parents, Jean and Brenda (nee Boak) Tremel; sister, Michelle (Colin) Olchowski and their children Drew and Owen; brother Marcel Tremel; paternal grandparents, Alain and Albertine (nee Boutin) Tremel; maternal grandmother, Alice (nee Crabb) Boak; and by numerous aunts, uncles, and cousins. He was predeceased by grandfather, George Boak.
