

To My Family

*Do not cry for me
I have not left you
I am beside you
Watching your every step
On the rocky road of life
Do not cry for me
I live in the loving care
Of your soul
From day birth to raven wing
Do not cry for me
I live in a place
Beyond the clouds and stars.
I can see all of you
Living and loving
As was meant to be.
Do not cry for me
I have not left you
I am in every beat
Of your heart.*

Ron was born at Quill Lake, SK, to John and Vera (nee Anderson) Badduke. He spent his childhood years in Watson. His love for hockey led him to Calgary, where he played junior hockey with the Calgary Cowboys. He was employed with Alberta Government Telephones for 12 years. On August 24, 1968, Ron married Kay Lyseng; they had two children and Ron decided that farming was his dream. In April 1974 Ron and Kay with their two children moved to the family farm at Watson to pursue his love for farming. Their third child was born in August 1977. Ron enjoyed horsepower days, baseball and hockey. The Ukrainian New Year's Dance at Daphne Hall was always the highlight of his year. He later coached bantam and senior hockey in Watson. Ron retired from farming and focused on his family, he enjoyed spending time with his nine grandchildren. Later, in the fall of 2016, Ron and Kay moved off the farm into Watson to enjoy the rest of their retirement. Ron's hobbies included driving around the countryside, spending time at the lake, checking crops, hunting, joking around, having a good time, playing cards and watching hockey on tv.

Ron will be lovingly remembered by his wife of nearly 50 years, **Kay** (nee Lyseng) Badduke; three children: **Randine** (Mark) Fetter and family: **Michaela** and **Montanna**; **John** (Wendy) Badduke and family: **Jazlynn**, **Jaydon**, **Jayla** and **Wynter**; **Coralie** (Mike) Wysman and family: **Tyson** Cann, **Crush** Cann, and **Brooke** Cann; brother, Bud Badduke; sisters: Eleanor (Bill) Kryzanowski, Lillian Ryhorski, Doreen (Jack) Cannon, Myrna (Alex) Weatherby; and brother-in-law Ken Holiday.
