

For this one farmer the worries are over,  
Lie down and rest your head.  
Your time has come; your work is done,  
Put the tractor in the shed.

Some years not easy, struggles to endure,  
But your faith in God transcended,  
Put away your tools and sleep in peace,  
The fences have all been mended.

You raised a fine family, worked the land well  
Farming with your sons,  
Hang up your shovel inside of the barn,  
Your work here on earth is done.

With faith and family through your journey,  
Fond memories made along the way,  
The sun is setting, the cattle are all bedded,  
And here now is the end of your day.

Your love of God's soil has passed on to your kin,  
The stories flow from the vine.  
Wash off your work boots in the puddle  
Left by blessed rain one final time.

You always believed that the good Lord would provide  
And He always had somehow  
Take off your gloves and put them down  
No more sweat and worry for you now.

Your labor is done, your home now is Heaven  
No more must you wait  
Your legacy lives on, your love of the land  
And we will close the gate.
