

Psalm 23

*The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
he leadeth me beside the still waters.*

*He restoreth my soul: he leadeth me in the paths
of righteousness for his name's sake.*

*Yea, though I walk through the valley of the shadow of death,
I will fear no evil: for thou art with me;
thy rod and thy staff they comfort me.*

*Thou preparest a table before me in the presence of mine enemies:
thou anointest my head with oil; my cup runneth over.*

*Surely goodness and mercy
shall follow me all the days of my life:
and I will dwell in the house of the Lord for ever.*

Rudy is also survived by his sister Agnes' children: **Joe** Fahrenschon of Saskatoon, **Gary** Fahrenschon of Humboldt and **Lynn** Bender of Prince Albert. Rudy was predeceased by his parents, Joseph and Mary (nee Saretsky) Possberg; sister Agnes Fahrenschon; and brother Ken Possberg.

Rudolph Eric Possberg was born on April 24, 1937 in Humboldt to Joseph and Mary (nee Saretsky) Possberg. He attended Morvin District School until grade 8 as well as helping on the farm. Completing high school was an important goal for Rudy and he later in life completed high school through the GED program. Rudy worked for Saskatchewan Power for a number of years until he purchased the farm from his parents in the late 1950's and then bought additional land in the Burr/Bay Trail area. Rudy farmed most of his life until he retired. He also worked for and helped others he knew in the area and friends including Wally and Rita Joa for many years. Over the years he occasionally worked out including working at Hudson Bay Mining and Smelting in Flin Flon, Nelson Lumber in Lloydminster and Huntington Hills Arena and Community Center in Calgary. Rudy purchased a home and retired to Humboldt in the early 1990's. He continued to play a very active and loving role in caring for his younger brother Ken who lived in a group home and later in St Mary's Villa. Rudy was an avid outdoorsman all his life and loved to be out in the woods or on a lake; he especially liked to be in the woods in the fall on warm days when the leaves were falling. He took many fishing trips with his brothers and friends including fly-in fishing camps in the NWT. Rudy was an avid reader and loved to stay up on the news through reading numerous magazines, books, newspapers and television. He could discuss almost any current news topic with intelligence and good information. Rudy played hockey for the Morvin Monarchs – playing on a line with his two older brothers Tony and Fred. He was also a member of the Saskatchewan Fish and Game Association for many years and regularly attended events sponsored by them. He loved to play cribbage particularly with his brothers (loved to get some of that Alberta money as he used to say!). He was an avid sports fan with strong interests in hockey (Calgary Flames and Edmonton Oilers – definitely not the Montreal Canadians) and football (Saskatchewan Roughrider fan of course). Of all his activities Rudy most loved visiting with his family, in particular his nieces and nephews. His love, laughter and gentle manner will be missed by all who knew him.
