

A poem Mom had set aside ...

Miss Me But Let Me Go

**When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room;
Why cry for a soul set free?**

**Miss me a little - but not too long,
And not with your head bowed low.
Remember the love we once shared;
Miss me - but let me go.**

**For this is a journey we all must take,
And each must go alone,
It's all part of the Master's plan;
A step on the road to home.**

**When you are lonely and sick at heart,
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss me - but let me go.**
