

Back Again

Time has taken me from you,
Although not very far.
I'll be watching through the sunshine
And through the brightest star.
I'll be watching all of you,
From the heavens up above.
So take good care of each other
And carry all my love.

If you're wondering if I'm there,
Here is where you start,
Take a look inside yourself,
And deep within your heart.
I'll always be your mother,
Your grandmother, great-grandmother,
and best friend,
So anytime you need me,
Close your eyes, I'm back again.

APPRECIATION

The family wishes to express their gratitude for your kindness evidenced in thought and deed,
and for your attendance at the funeral service.

Agnes, one in a family of 14 children, was born on June 17, 1928, to John Sr. and Katherine (nee Aschenbrenner) Sterner at home on their farm north of Annaheim, SK. She grew up there and attended Leavenworth Rural School. Following her education, Agnes began working at Kennedy's in St. James, SK. It was during that time that she met Theodore "Ted" Schemenauer, who was doing some custom field work at a farm in the district. A special relationship developed between them, culminating in their marriage on October 11, 1949, in St. James Roman Catholic Church. During the first two-and-a-half years of their life together, Agnes and Ted lived with his parents and his sister Rosemary. Over the next 10 years, five children were born to them. After Ted's father passed away in 1952, he purchased the family farm and continued raising grain and livestock. On August 12, 1991, Agnes and Ted moved into Humboldt. The Schemenaus were a very close-knit family and enjoyed spending leisure time together. One of their favorite activities was fishing; Ted and the kids did the fishing, and Agnes was in charge of the big fish fry. Over the years, visits with their grandchildren were an important part of their lives. Agnes absolutely loved babies and was filled with joy when a newborn joined the family. From young on, Agnes seized life with a passion. Whatever she did, she threw herself totally into it. Her various interests included gardening, horses, curling and, especially, people. Agnes was a very vibrant, fun-loving, and social person with a magnetic personality who attracted a host of friends. She loved going out for coffee, which often included apple fritters and ice-cream, or for a meal, particularly Chinese food. As well, Agnes and Ted enjoyed travelling to various points in Canada, Mexico, and the United States. A favorite destination was Mesa, Arizona. Another important part of Agnes' life was her association with the Catholic Women's League of which she was a member for 60 years, with some of that time serving as president in Lake Lenore. After moving to Humboldt, she became a member of the Legion Ladies Auxiliary to the Royal Canadian Legion. Ted passed away on April 25, 2003. Agnes continued to reside in their home. Eventually, she found love again in an old friend, Len Arp. Their companionship and mutual admiration led to their engagement, and both enjoyed attending a number of social activities together especially dancing.
