

The Rose Beyond The Wall

*A rose once grew where all could see,
Sheltered beside a garden wall,
And, as the days passed swiftly by
It spread its branches, straight and tall ...*

*One day a beam of light shone through
A crevice that had opened wide ...
The rose bent gently toward its warmth,
Then passed beyond to the other side ...*

*Now you who deeply feel its loss,
Be comforted, the rose blooms there ...
Its beauty even greater now,
Nurtured by God's own loving care.*
