

We'll Never Say Goodbye  
I cannot see you with my eyes  
Or hear you with my ears.  
But thoughts of you are with me still  
And often dry my tears.  
You whisper in the rustling leaves  
That linger in the fall;  
And in the gentle evening breeze,  
I'm sure I hear you call.  
A part of you remains with me  
That none can take away.  
It gives me strength to carry on  
At dawning of new day.  
I think of happy times we shared,  
And then I softly sigh,  
But this I know - we'll meet again  
And never say good-bye

- Larry Howland

Katherine Hill was born on March 7, 1960 in Humboldt to John and Elizabeth (nee Bieber) Hill. She lived on a farm just west of the city for many years, going to Dixon School, then moving into Humboldt until Grade 12 where she finished at St. Ursula's Academy in Bruno where she won a typing award. Soon

after she met Lorne Wolfe at a fastball game and love was born, getting married on October 6, 1979, starting a beautiful life together filled with 3 children, 3 grandchildren, 4 cats, friends, family, laugh and love. She worked at the City of Humboldt from October 1979 – December 1981, then again in 1984 until May 31, 2018. Work was not the only thing that kept her busy. She was very involved, since youth until her passing, with St. Andrew's as an organist, pianist, singer and many other church activities. Traveling was a passion, whether it be with friends or family, to B.C., Toronto, Blackhills,

Las Vegas, Minnesota, Cuba, Ireland, London, Paris. Even the short travel trips for her children's activities and events, and later on her grandchildren. Every opportunity she had to babysit her grandchildren was a joy, and she felt so bad for the couple times she had to miss it. Being a private person never stopped her from being involved in her families lives as this was very important to her and always brought joy to her heart. Always there to listen, give advice, be the rock when you needed. But there was a spontaneity that would burst out when you least expected, like asking Emily when she was only 17 in B.C. if she wanted to leave the museum they were in with Dad to get tattoos, or when Kurt came home to find her testing her skills on his drum set with Armageddon by Prism blasting in the background. Although God's plans were different from our own, we are left with beautiful memories that will carry on her spirit in our hearts.
