

*God must have thought you special,
To take you as He did.
They say He only takes the best,
And this He surely did.
Isn't it strange that those we need,
And those we love the best
Are the ones that God needs too,
And takes them home to rest.
Put your arms around him, Lord,
And kiss his smiling face.
For he was a very special man
Who can never be replaced.*
