Darren was born June 10, 1968 in Unity, SK, to Josef and Josephine (nee Sport) Krottendorfer. He was the eldest of three children. Darren grew up and went to school in Viscount, SK, and was known as a quiet person. He was always quick to laugh and enjoyed making others smile. He had a fondness for animals; his heart was large when it came to his four-legged friends, especially dogs. The calmness and peace that he showed to animals carried over to his other life as well, he welcomed everyone into his life and gave whatever he could, no matter how little he had. After his school years, he spent 25 years working at SARCAN in Viscount, Watrous, and Turtleford. Getting to retire when he was so young made him proud and he showed off his achievement pins whenever he got the chance. After retiring from SARCAN, he moved into landscaping and yard care work during the summer and snow removal in the winter, whether it be in Makwa, Young or Humboldt. Wherever he lived, he tried to keep himself busy as best he could. Darren was a fan of bowling and recently rejoined a league in Humboldt and enjoyed the socialization it brought. He was also a fan of “going for coffee”, he liked keeping apprised of what was happening in the area. Darren was not one to sit still, he enjoyed walking, biking, camping, exploring, and playing with animals. His true passions were snowmobiling and fishing; he'd get that hook in the water every chance he could. Darren struggled with mental health problems throughout his adult life, but he had become strong and independent again after he moved to Humboldt. Proof of his determination to live his best life was continuing his education. He could boast about becoming a “College Graduate” as in the spring of 2019 he completed his Skills for the Workplace course at Carlton Trail College. He was even honored with the perfect attendance award, which doesn't happen often. Darren was full of big ideas and was making plans on taking more classes. Taken from this earth way too young, we will miss your easy smile, your infectious laugh and your big dreams. Darren will be lovingly remembered and sadly missed by his mother Josephine Krottendorfer of Middle Lake, SK; his sister, Roxane (Lori) Giward of North Battleford, SK and her children Dustin Watson, Trayton Watson, and Destiny Robertson and her grandchildren Xandrea and Oaklynn; his brother, Daniel (Diane Anderson) Krottendorfer and stepson Alex Grocholski of Humboldt, SK; and his aunts, Elizabeth Sport and Nettie Holinaty; and by numerous cousins. He was predeceased by his father Josef Krottendorfer; brother-in-law Gregory Robertson, nephew Cody Chance Robertson, and by numerous aunts, uncles and cousins.
