

## Footprints

One night I dreamed a dream.  
As I was walking along the beach with my Lord,  
Across the dark sky flashed scenes from my life.  
In each scene, I noticed two sets of footprints in the sand,  
One belonging to me and one to my Lord.  
After the last scene of my life flashed before me,  
I looked back at the footprints in the sand.  
I noticed that at many times along the path of my life,  
especially at the lowest and saddest times,  
there was only one set of footprints.  
This really troubled me, so I asked the Lord about it.  
“Lord, You said once I decided to follow You,  
You’d walk with me all the way,  
But I noticed that during the saddest  
and most troublesome times of my life  
there was only one set of footprints.  
I don’t understand why,  
when I needed You the most,  
You would leave me?”  
He whispered, “My precious child,  
I love you and will never leave you.  
During your trials and testings,  
When you saw only one set of footprints,  
It was then that I carried you.”
