

Back Again

*Time has taken me from you,
Although not very far.
I'll be watching through the sunshine
And through the brightest star.
I'll be watching all of you,
From the heavens up above.
So take good care of each other
And carry all my love.*

*If you're wondering if I'm there,
Here is where you start,
Take a look inside yourself,
And deep within your heart.
I'll always be your mother,
Your grandmother, and best friend,
So anytime you need me,
Close your eyes, I'm back again.*

Bev will be lovingly remembered and sadly missed by many people, including: her husband, **LORNE** Yeager; their three children: **PENNY** (and her husband Jason Hardy), **CANDICE** (and her husband John Lobb), and **DAVID** (and his wife Lynn Yeager); four grandchildren: **Gage** Lobb; **Christian** Yeager, **Antone** Yeager, and **Catherine** Yeager; brother, Bernie Mroske (and his wife Denise Mroske); sisters-in-law: Rosemary Possberg (and her husband Herman Possberg), Bernice Schulte, Kim Yeager, and Elaine Blechinger (and her husband Herb Blechinger); and numerous nieces and nephews. Bev was predeceased by her father, Edward Mroske (2014); mother Dora (nee Chernoff) Mroske (2004); father-in-law, Anton Yeager (1999); mother-in-law, Annie (nee Berscheid) Yeager (1985); and by brothers-in-law, George Schulte and Ronald Yeager.

Bev was born on March 10, 1950 to Edward and Dora (née Chernoff) Mroske in Kamsack, SK. She was the younger of their two children, and grew up in the Veregin area. Bev enjoyed sports, including ball, and had a natural love and empathy for animals. After graduating from high school in 1968, Bev attended the University of Regina to pursue a career in education. She spent her university summers working at various provincial parks to earn tuition money. After obtaining her education certificate, she accepted a teaching position in Carrot River, SK. It was there that she met her future husband Lorne, who had come to Carrot River to visit his sister Elaine, also teaching in that community. She ultimately received her degree in education in 1992. Bev and Lorne were married in 1975, and had 45 very happy years together as a married couple. They raised their three children in Melfort, SK, before moving to Humboldt in 1987. During her time in Melfort, Bev first focused on raising their three young children, but accepted substitute teaching assignments as the couple's children grew. After moving to Humboldt, Bev took a position as an educational assistant at Muenster School, where she assisted one of her nieces. She then pursued a career at Futuristic Industries, and was a very dedicated program co-ordinator before retiring in 2017. Bev spent many hours in a volunteer capacity, including with Girl Guides Canada (president of the Melfort branch); Special Olympics (secretary of the Humboldt branch); the Catholic Women's League of Saskatchewan (president of the Humboldt branch), Carlton Trail Regional College's ESL program, and Meals on Wheels. She relished time with her grandchildren (including on camping trips, and movie nights). Bev participated in a number of leisure activities, including membership with St. Peter's Chorus and the church choir; snowmobiling, camping, and gardening. She baked wonderful pies, and welcomed her family to many meals. Over their years together, Bev and Lorne chartered numerous family vacations (including to Disneyland, and Expo '86 in Vancouver), and then later travelled as a couple, to Italy, Germany, Alaska, and Canada's East coast. Bev's family and friends will remember her as a woman of strong faith, who showed much kindness and empathy to others, and always kept her commitments. She lived life fully.
