BORN:

DIED:

March 27, 2014
Humboldt District Hospital
Humboldt, Saskatchewan

AGE:

88 Years

George was born to Ben and Ursula (nee Deiderich) Dueker in Cudworth Hospital on January 24, 1926. Born and raised a farmer, he quit school to help on the farm after his father died at age 49. As he got older, he went to dances in St. Benedict and met Gertrude Klassen whom he married and they had two children—Melanie and Daryl. They eventually bought their own farm and then they retired to Humboldt. As George grew older, he lost most of his eyesight to macular degeneration, but always remained brave no matter what happened. His hobbies were hunting, farming, gardening, card playing and visiting with friends and family. He also enjoyed his scooter rides down to Trans Café every day. George was a generous, kind, happy man who always lent an ear and liked to joke around. He will be truly missed.
