Leon was born on March 9, 1924, to Lucien and Rose Marie (nee Arcand) Demers at Titanic, SK. In 1942, he joined the Regina Rifles and served his country overseas for four years during the Second World War. Leon returned home in 1946 and worked for SaskPower. On June 27, 1952, he married the love of his life, Genevieve "Genny" Cote in Saskatoon. In 1965, they were blessed with a son, Perry. Leon and Genny bought the Middle Lake Hotel in 1975. As well, Leon worked on the natural gas pipeline until retiring in 1989. More than anything, Leon and Genny adored spending time with their grandchildren. They also took pleasure working in their yard and garden. As well, Leon and Genny took many trips to Prince Albert, where they enjoyed playing bingo and going to the casino. To their delight, in May 2008, Prince Albert became their home. They resided there for almost three years. Leon and Genny were always on the go; wherever you saw one the other was close by. Leon was heartbroken when, on January 14, 2011, his precious Genny passed away. Leon returned to Middle Lake and resided with Perry and his family until moving into Caleb Village in September 2012.

Memories Build A Special Bridge

*Our memories build a special bridge
when loved ones have to part,
To help us feel we're with them still
and soothe a grieving heart.*

*Our memories span the years we shared,
preserving ties that bind.
They build a special bridge of love
And bring us peace of mind.*

Emily Matthews
