Gerry was born on October 1, 1944 to Marcel and Rose (nee Bens) Muiyard in the Cudworth district and attended school grades K-8 at St. Benedict and 9-10 at Cudworth. He ran the family farm for many years and also worked for local farmers in the Cudworth area. In 1989, he moved to Humboldt and worked as a welder at Doecker Industries until he retired in 2008 due to health problems. Gerry was a hardworker and during his retirement years, he did maintenance in the apartment building where he lived. He also kept himself occupied with gardening and yard work at both his and his childrens homes, but his life revolved around his immediate and extended family. Gerry was a very patient, kind person and a loving father and grandfather. He was known for looking like his father but his personality was that of his mothers. He had a gentle soul and will be forever missed.
