*Life is eternal, and love is immortal, and death is only a horizon;
and a horizon is nothing save the limit of our sight.*

Rositer Worthington Raymond (1840-1918)

Ray was met at heaven's gate by his beloved family: his parents, August Sr. and Mary (nee Beck) Nordick; grandson Regan Rioch; son-in-law Randy Rioch; brothers: Arnold (Bobbi) Nordick, and Art Nordick; sisters: Helen (Al) Breker, Ida (Andy) Schmitz, Louise (Ron) Bohnen; twin siblings (in infancy); and brothers-in-law: Ted Moldenhauer, Don Diebert and Gordon Fetter. During Ray's 81 years of life, he was a loving husband for 58 years to **Marie** (nee Doell) Nordick. Together they raised a family of eight children: **Kathy** (Jerry) Stein of Saskatoon, **Bev** Rioch of Englefeld, **Randy** (Holly) Nordick of Olds, AB, **Janice** (Mike) Herperger of Esterhazy, **Keith** Nordick of Saskatoon, **Allan** (Stacey) Nordick of Watson, **Rhonda** (Darren) Dame of Chestermere, AB, and **Bruce** (Rhonda) Nordick of Watson. Ray and Marie were also blessed with 21 grandchildren and 19 great-grandchildren. Also left to cherish Ray's memory are four sisters and one brother: Cis (Ed) Wacholtz of Watson, Marie Moldenhauer and Mildred Diebert, both of Saskatoon, Bill (Hazel) Nordick of Kitchener, ON, and Diane Fetter of Watson; sister-in-law, Alice Nordick of Humboldt; and numerous nieces, nephews, and members of the Doell family. Ray was raised on a farm east of Englefeld and continued farming until 1996. His Grade 8 education sure didn't limit him when it came to the farm or attaining the passing marks required to be a crop adjuster. Ray served as a councillor for the RM of Spalding for 17 years, sat on the board for the Saskatchewan Wheat Pool and was a life-time member of the Knights of Columbus. He was a self-taught mechanic and a handy man of all trades, with special interests in carpentry. Ray enjoyed playing and coaching hockey, and was always up for games of smear, cribbage and 65. He loved fishing and telling a good story as well as supervising the family working in the garden. Winters were spent with Marie in Osoyoos, BC, where they enjoyed memorable moments with their friends. Ray always made any visitor welcome. He eagerly shared "his" wine and Marie's good cooking. Ray was no ordinary flower in life's bouquet.

Remember Me

*Dear I'll see you one fine day. Another place, another way.
Hold me close deep in your heart. And in that way we'll never part.
Do the things we liked to do. If not for me then just for you.
Tell the kids I love them so. And show them all the love we've known.
Smile and let your heart be free. Know you'll always be with me.
Your love, it let me live again, and now anew you must begin.
I'll be there for the things you do, and always be a part of you.
You'll see me with each song you sing,
As the twinkle in your wedding ring.*
