Gerald was born to Joseph and Emilie (nee Jule) Wurm on June 13, 1948 in Humboldt, SK. He attended school in Peterson up until the end of Grade 9 and then went to Bruno High School up until the age of 16. His career and passion was farming. From a very young age, and up until the day he died, he dreamed about farming and leaving a legacy for his family. Gerald belonged to many organizations and committees, including Sask Wheat Pool, St. Agnes Parish Council, Peterson Hall Committee, Bruno School Board, Bruno Crop Club and, lastly, his most enjoyable position as a councillor with the RM of Bayne, on which he sat for almost 20 years. He made it his hobby to fulfill his duties on various councils to the best of his ability. He was a jack of all trades and especially was an avid welder and mechanic. He was known to make something to do a job better as opposed to look for something to buy. If any of us were looking for something to get a job done, dad was known to say "I'm sure I could make something for that". Another passion was travelling and in his retirement, he and Irene were starting to see the world. His favorite destination was the beaches of Mexico and he was able to get one last visit in just this past December.

Gerald will be lovingly remembered by his wife, **Irene** (nee Tremel) Wurm of Bruno; his children, **Joseph** (Rebecca) Wurm and their sons **Leighton** and **Camden** of Beamsville, ON; **Robert** (Renee) Wurm and their daughter **Kylie** of Peterson, SK; **Janet** (Scott) Warren and their family **Andrew, Jacob** and **Grace** of Delisle, SK; siblings, Genevieve (Joseph) Cherwinski of St. John's, NL, Ron (Charlene) Wurm of Regina, SK, Rita (Lloyd) Paulhus of Assiniboia, SK; parents-in-law Alain and Albertine Tremel of Bruno, SK; aunt Faye Wurm of Watson, SK; and numerous nieces, nephews, cousins and in-laws of the Tremel family. He was predeceased by his parents Joseph and Emilie (nee Jule) Wurm.

JUST A FARMER

"Just a farmer," 'You Said' and I laughed 'cause I knew
all the things that farmers must be able to do.

They must study the land, then watch the sky,
and figure just when is the right time and why-

To sow and to plant, to buy and to sell,
to go to the market with cattle and well...

You know the books that farmers must keep
to pay all those debts and be able to sleep!

All of the fixin' that a farmer must do
when high priced machinery blows a gasket or two...

I guess when God needed folks to care for his earth
He chose "Just a farmer", 'cause he knew their true worth!!!

APPRECIATION

The family wishes to express their gratitude
for your kindness evidenced in thought and deed,
and for your attendance at the funeral service.
