Some people come into our lives and quickly go.
Others stay awhile and leave footprints on our hearts,
and we are never, ever the same.

In Loving Memory Of

Footprints in the Sand

*One night I dreamed a dream,
I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of
footprints in the sand,
one belonging to me and one to my Lord.*

*When the last scene of my life shot before me
I looked back at the footprints in the sand.
There was only one set of footprints.
I realized that this was at the lowest and
saddest times of my life.
This always bothered me and
I questioned the Lord about my dilemma.*

*Lord, You told me when I decided to follow You,
You would walk and talk with me all the way.
But I'm aware that during the most troublesome
times of my life there is only one set of footprints.
I just don't understand why,
when I need You most, You leave me.*

*He whispered,
"My precious child, I love you and
will never leave you, never, ever,
during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."*
